## Operating Report

The Board of Management of The Motor Trade Association of South Australia Incorporated (the Association), present for the reporting unit the operating report, for the financial year ended 31 March 2021.

The names of the members of the Board of Management of the Association during the financial year, unless indicated otherwise were:

Frank Agostino	David Vincent	01 April 2020 – 24 April 2020
Neville Gibb	Marcus Baldacchino	01 April 2020 – 24 April 2020
Clive Polley	Michael McMichael	01 April 2020 – 24 April 2020
Peter Roberts	Bill Lane	01 April 2020 – 24 April 2020
John Hitchcock	Brenton Stein	01 April 2020 – 24 April 2020
Mark McGuire	Dale John	01 April 2020 – 24 April 2020
Tom Skothos	Kim Webber	01 April 2020 – 24 April 2020
	Tracy Butler	01 April 2020 – 24 April 2020
	Mark Flynn	01 April 2020 – 24 April 2020

## Principal Activities

The principal activities of the Association and its controlled entities, during the financial year were to serve the interests of employers and members of the Retail Motor Trade in SA by;

- Providing a political voice for the retail motor industry;
- Providing an industry voice in discussion with all levels of government;
- Providing industrial award advice, advocacy and representation;
- Providing technical information and specialized industry stationery; and
- Training apprentices for the retail motor industry.

No significant changes in the nature of these activities occurred during the year.

## Operational and financial review

The financial statements and comparative figures for the Association and the Consolidated Entity are for the twelve months ended 31 March 2021.

## Statement of profit or loss and other comprehensive income

The Associations surplus from ordinary activities in the financial year ended 31 March 2021 was \$512,341, (2020: surplus \$60,545) and for the Consolidated Entity surplus of \$1,354,481, (2020: surplus of \$214,117).

## Statement of Financial Position

Equity increased to \$11,314,542 (2020: \$10,802,201) for the Association and increased to \$22,414,729, (2020: \$21,060,248) for the Consolidated Entity.

The Association's cash flow from operating activities was \$565,039, (2020: (\$444,222)) and the Consolidated Entity \$1,648,333 (2020: \$701,838).

## Events since balance date

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while it has been financially positive for the incorporated association up to 31 March 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 31 March 2021 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

## Members

Members' rights to resign is set out in Item 6.2 of the Constitution, in summary a member may resign from membership by written notice addressed and delivered to the offices of the Motor Trade Association of SA Inc.

At the end of the financial year there were 1,266 members including 3 associate members of the Motor Trade Association of SA Inc, (2020: 1,230 inclusive of 3 associate member). Associate members receive limited services.

## Staffing

The Association employed 71 staff at the end of the financial year, (2020: 76). The Consolidated Entity employed 535 staff at year end (2020: 614).

## Trustee or Director of Superannuation Entity

No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of an organisation.

Signed in accordance with the resolution of the Board of Management.

Chairman

Frank Agostino

Dated this 25<sup>th</sup> day of August 2021

# Notes to the consolidated financial statements

## 1. Significant accounting policies

The Motor Trade Association of SA Inc. (the "Association") is a not for profit entity and the entity is domiciled in South Australia. The consolidated financial report of the Association for the year ended 31 March 2021 comprises the Association and its subsidiaries (together referred to as the "Consolidated Entity").

The financial report was authorised for issue by the directors on 25<sup>th</sup> August 2021.

### (a) Statement of compliance

The consolidated financial report of the Consolidated Entity and the financial report of the Association is a Tier 1 general purpose financial report which has been prepared in accordance with Australian Accounting Standards (AASB's) adopted by the Australian Accounting Standards Board, the Associations Incorporation Act 1985 (as amended), Fair Work (Registered Organisations) Act 2009 (RO Act) and the Australian Charities and Not-for-profits Commission Act 2012.

### (b) Basis of preparation

The financial report is presented in Australian dollars.

The financial report is prepared on an accrual basis and the historical cost basis, except for investments and investment properties which are measured at fair value.

#### (i) Judgement and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Association and the Consolidated Entity.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Accounting estimates are discussed in the following notes;

- Note 8 Investment Property
- Note 9 Property, Plant and Equipment

#### (ii) Measurement of fair values

A number of the Association's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Association has an established control framework with respect to the measurement of fair values with all significant valuation issues reported to the Executive Committee.

When measuring fair value of an asset or a liability, the Association uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from process); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

# Notes to the consolidated financial statements (continued)

## 1. Significant accounting policies (continued)

Further information about the assumptions made in measuring fair values is included in the following noted:

- Note 8 - Investment property

### (c) Going Concern

The financial report has been prepared on a going concern basis which contemplates the continuity of normal business activities and the realisation of assets and the settlement of liabilities in the normal course of business.

The result for the Association for the year ended 31 March 2021 was a surplus of \$512,341 (2020: surplus of \$60,545) and a net current asset surplus of \$4,897,460 (2020: net current asset surplus of \$4,562,970). The Board of Management believe the Association is a going concern due to the expected profitability of the business. It is on this basis the financial statements have been prepared on a going concern basis.

The parent entity is not reliant on any agreed financial support from any other controlled entity to continue on a going concern basis.

The reporting units do not provide financial support to any reporting entities to ensure they can continue on a going concern basis.

### (d) Basis of consolidation

#### (i) Subsidiaries

Subsidiaries are entities controlled by the Association. Control exists when the Association is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

Investments in all subsidiaries are carried at their cost of acquisition in the Association's financial statements.

There are no changes in the nature of, and change in, the risks associated with its interest in consolidated structured entities.

There are no changes in the ownership interest of its subsidiaries that has resulted in a loss of control.

There are no changes in the control of subsidiaries during the reporting period.

#### (ii) Transactions eliminated on consolidation

Intra-group balances and any unrealised gains and losses or income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### (e) Property, plant and equipment

##### (i) Owned assets

Items of property, plant and equipment are stated at cost (or deemed cost) less accumulated depreciation (see below) and impairment losses (see accounting policy (l)).

Where parts of an item of property plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Expenditure on fixed assets of less than \$300 is expensed when incurred.

##### *Subsequent costs*

The Consolidated Entity recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefit embodied within the item will flow to the Consolidated Entity and the cost of the item can be reliably measured. All other costs are recognised in profit and loss as an expense as incurred.

The Association has a policy of valuing property owned by the Association every three years unless there is an indication of impairment. An impairment loss will be reflected in profit or loss if the valuation represents a devaluation below the initial cost recognised in the Statement of Financial Position.

##### (ii) Depreciation

The depreciable amount of all fixed assets are depreciated over the estimated economic life of the asset to the Consolidated Entity commencing from the time the asset is held ready for use. Assets with a written down value of less than \$100 at the end of the year, are depreciated to nil value at the year end.

Leasehold improvements are depreciated over the shorter of the leased term or estimated useful lives of the improvements.

Plant and equipment are depreciated from the date of acquisition. The straight line method is used.

Buildings and improvements are depreciated over their expected useful economic life. The straight line method is used.

Motor vehicles are depreciated over their expected useful economic life. Diminishing value method is used.

Furniture and fittings are depreciated over their expected useful economic life. The straight line method is used.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

The depreciation rates used for each class of depreciable asset vary dependent on the assessed economic life of each individual asset, and within each class the depreciation rates used are as follows:

<u>Asset Class</u>	<u>Depreciation Rates</u>	
	<u>2020/21</u>	<u>2019/20</u>
Plant & Equipment	6.6 to 50.0%	6.6 to 50.0%
Furniture & Fittings	10.0 to 33.3%	10.0 to 33.3%
Motor Vehicles	22.5 to 25.0%	22.5 to 25.0%
Buildings & Improvements	2.5 to 17%	2.5 to 17%

The residual value, if not insignificant, is reassessed annually.

#### (f) Expenses

##### *Net financing costs*

Net financing costs comprise interest payable on borrowings and dividend, interest and distribution income. Interest income is recognised in profit and loss as it accrues, using the effective interest method. Dividend and distribution income is recognised in profit and loss on the date the Consolidated Entity's right to receive payments is established.

#### (g) Investments

The Consolidated Entity's financial investments comprise term deposits carried at amortised cost where cashflows relate solely to principal plus interest.

#### (h) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods and services or for administrative purposes. Investment properties are initially recognised at cost, including transaction costs, and are subsequently remeasured annually at fair value. Movements in fair value are recognised directly to profit or loss.

#### (i) Trade and other receivables

Trade receivables and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'receivables'. Receivables are measured at amortised cost using the effective interest method less any impairment (see accounting policy I).

Bad debts are measured using an expected credit loss model.

#### (j) Inventories

Inventories consist of printing and stationery, raw and finished products, protective clothing, tool kits and educational resources and are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### **(k) Cash and cash equivalents**

Cash and cash equivalents comprise of cash on hand and cash at bank. Bank overdrafts that are repayable on demand and deposits at call that form an integral part of the Consolidated Entity's cash management are included as a component of cash and cash equivalents for the purpose of the Statement of Cash Flows.

#### **(l) Impairment**

The carrying amounts of the Consolidated Entity's assets, other than inventories (see accounting policy j), are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see below).

An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in profit and loss.

Recoverable amount is defined as the current replacement cost of an asset less where applicable, accumulated depreciation calculated on the basis of such costs to reflect the already consumed or expired future economic benefits of the asset. The current replacement cost of an asset is its cost measured by reference to the lowest cost at which the gross future economic benefits of that asset could currently be obtained in normal course of business.

#### **(i) Calculation of recoverable amount**

The recoverable amount of other assets is the greater of their net selling price and value in use. In the case of a non-current asset of a not-for-profit entity, value in use means "current replacement cost" of an asset when the future economic benefits of the asset are not primarily dependent on the assets ability to generate net cash inflows and where the entity would if deprived of the asset, replace its remaining future economic benefits.

#### **(ii) Reversals of impairment**

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

#### **(m) Income Tax**

The Association is exempt from income tax pursuant to section 50-15 of the Income Tax Assessment Act 1997.

The MTA Group Training Scheme Inc, Controlled Entity, is exempt from income tax pursuant to section 50-5 of the Income Tax Assessment Act 1997.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### (n) Employee benefits

##### *Long-term service benefits*

The Consolidated Entity's net obligation in respect of long-term service benefits, other than defined contribution plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates and is discounted using rates attached to Australian Corporate bonds that have maturity dates approximating to the terms of the Consolidated Entity's obligations.

##### *Short-term service benefits*

A provision is made for leave, wages and salaries and employment on costs of Payroll Tax, WorkCover and Superannuation that are expected to be settled within 12 months of the reporting date. Employment on-costs have been calculated on the basis that employees will take accumulated leave prior to retirement.

Vested entitlements are shown as current liabilities, measured at nominal wage rates.

Leave is provided for at current rates of pay plus employment on costs. The Consolidated Entity's experience is that the majority of Annual Leave is taken as accrued, and future wage increases are incorporated into the provision calculation.

No provision is made for sick leave, which although cumulative is non-vesting. However, it is vesting for apprentices in the final year of their apprenticeship. As per their employment contract, the apprentice is only entitled to a portion of sick leave upon completion of their apprenticeship.

Termination benefits are expensed when the consolidated entity can no longer withdraw the offer of these benefits and when the consolidated entity recognises costs for restructuring. If any benefits are not expected to be settled wholly within 12 months of the reporting period, then they are discounted.

#### (o) Provisions

A provision is recognised in the Statement of Financial Position when the Consolidated Entity has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation.

#### (p) Trade and other payables

Liabilities are initially recognised for amounts to be paid in future for goods and services received by the Consolidated Entity at fair value and subsequently measured at amortised cost. Trade payables, are normally settled within 30 days.

#### (q) Interest Rate Risk

The Consolidated Entity has exposure to interest rate risk through its term deposits and also borrowings held with financial institutions and related parties. Information about the term deposits are set out in note 7 and information about the borrowings are set out in note 13.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### (r) Revenue

Revenue is recognised at an amount that reflects the consideration to which the Association is expected to be entitled in exchange for transferring goods or services to customers.

#### (i) Goods sold and services rendered

Revenue from the sale of goods is recognised in profit and loss at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

Revenue from services rendered is recognised in profit and loss over time as the services are rendered, in proportion to the stage of completion of the transaction at reporting date.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when declared. Commissions are recognised when the Consolidated Entity has received a commission.

#### (ii) Rental income

Rental income from property is recognised in profit and loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income.

#### (iii) Government grants

Grant revenue is recognised in profit or loss when the Consolidated Entity satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the Consolidated Entity is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

#### (iv) Membership Income

Membership income from members is recognised in profit and loss on a straight-line basis over the financial year.

#### (s) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### (t) Required Fair Work Commission Disclosures per Section 253

##### (i) Acquired assets

The individual entities have not acquired assets or liabilities during the financial year as a result of;

- a) an amalgamation under Part 2 of Chapter 3 of the RO Act in which the organisation (of which the reporting unit form part) was the amalgamated organisation; or
- b) a restructure of the branches of the individual entities; or
- c) a determination by the General Manager under subsection 245(1) of the RO Act of an alternate reporting structure for the individual entities; or
- d) a revocation by the General Manager under subsection 249(1) of the RO Act of a certificate issued by an organisation under subsection 245(1).

##### (ii) Acquired assets and liabilities as a result of a business combination

- a) The individual entities have not acquired assets or liabilities during the financial year as part of a business combination.

#### (u) New or amended Accounting Standards and Interpretations adopted

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The incorporated association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

##### (i) AASB 15 Revenue from Contracts with customers

The Consolidated Entity has adopted AASB 15 from 1 April 2019. The standard provides a single comprehensive model for revenue recognition. The core principle of the standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard introduced a new contract-based revenue recognition model with a measurement approach that is based on an allocation of the transaction price. Credit risk is presented separately as an expense rather than adjusted against revenue.

There was no impact on the revenue recognised by the entity as a result of the adoption of AASB 15.

## Notes to the consolidated financial statements (continued)

### 1. Significant accounting policies (continued)

#### **(ii) AASB 1058 Income of Not-for-Profit Entities**

The entity has adopted AASB 1058 from 1 April 2019. The standard replaces AASB 1004 'Contributions' in respect to income recognition requirements for not-for-profit entities. The timing of income recognition under AASB 1058 is dependent upon whether the transaction gives rise to a liability or other performance obligation at the time of receipt. Income under the standard is recognised where: an asset is received in a transaction, such as by way of grant, bequest or donation; there has either been no consideration transferred, or the consideration paid is significantly less than the asset's fair value; and where the intention is to principally enable the entity to further its objectives. For transfers of financial assets to the entity which enable it to acquire or construct a recognisable non-financial asset, the entity must recognise a liability amounting to the excess of the fair value of the transfer received over any related amounts recognised. Related amounts recognised may relate to contributions by owners, AASB 15 revenue or contract liability recognised, lease liabilities in accordance with AASB 16, financial instruments in accordance with AASB 9, or provisions in accordance with AASB 137. The liability is brought to account as income over the period in which the entity satisfies its performance obligation.

If the transaction does not enable the entity to acquire or construct a recognisable non-financial asset to be controlled by the entity, then any excess of the initial carrying amount of the recognised asset over the related amounts is recognised as income immediately.

There was no impact on the income recognised by the entity as a result of the adoption of AASB 1058.

#### **(iii) AASB 16 Leases**

AASB 16 Leases eliminates the operating and finance lease classifications for lessees currently accounted for under AASB 117 Leases. It instead requires the entity to bring most leases onto its statement of financial position in a similar way to how existing finance leases are treated under AASB 117. The entity will be required to recognise a lease liability and a right of use asset in its statement of financial position for most leases.

There are some optional exemptions for leases with a period of 12 months or less and for low value leases.

The new standards apply to annual reporting periods beginning on or after 1 January 2019.

The entity, as lessee, has no significant operating leases outstanding at the date of initial application, 1 April 2019, or since so the impact of adoption was nil.

The Association has a policy of dividing the initial value of property acquisitions and allocating one third of value to land and two thirds of value to buildings. The buildings component is then depreciated over the Board of Management assessed appropriate economic life of the buildings. This assessment takes into account the style, position and state of repair of the buildings concerned.

81-83 Greenhill Road Wayville was last independently valued by Mr. N Bell B.Bus (Property) FAPI of Knight Frank Valuations Pty Ltd at 31 March 2021 using a capitalisation of income approach using a rate of 7.00% at a "willing buyer/seller" market value of \$8,700,000. The valuation constitutes a level 2 fair value in accordance with AASB 13 Fair Value Measurement.

3 Frederick Road Royal Park was last independently valued by Mr. T Walker B.Bus (Property) AAPI of Knight Frank Valuations at 31 March 2021 using a capitalisation of income approach using a rate of 7.75% at a "willing buyer/seller" market value of \$6,950,000. The valuation constitutes a level 2 fair value in accordance with AASB 13 Fair Value Measurement.

The next independent valuation due is March 2024.

<b>Total Cash inflows</b>	<b>(318,711)</b>	<b>(1,235,914)</b>	-	-

### 15. Contingencies

Estimates of the maximum amount of contingent liabilities that may become payable	530,000	634,000	2,583,000	2,840,400
---	---------	---------	-----------	-----------

In the event of the winding up of the Motor Trade Association of Australia Limited, the Motor Trade Association of South Australia Inc. has a limited liability of \$100.

During a period of an economic downturn, it is appropriate to provide for a contingent liability which may arise for the return of apprentices and trainees from host employers and not being able to place those apprentices and trainees with alternate host employers. Should this occur and all apprentice and trainees are returned, the cost to the consolidated entity would be \$2,053,000 (2020: \$2,206,000), whilst the cost to the Association for training staff entitlements would be \$530,000 (2020: \$634,000). The likelihood of realisation of contingencies and payout is considered remote based of recent period actual payments and expectations of future periods.

### 16. Consolidated Entities

### 20. Financial Risk Management Objectives and Policies

The Consolidated Entity activities expose it primarily to the financial risks in credit, liquidity and market risk.

The Consolidated Entity does not enter into or trade financial instruments, including derivative financial instruments.

The Consolidated Entity's financial assets consist mainly of cash and short term bank secured investments, available for sale assets, trade and other receivables. The Consolidated Entity's financial liabilities comprise trade and other payables. The main purpose of these financial instruments is to invest surplus member funds in order to maximise returns while not exposing the Consolidated Entity to a high level of risk.

The Board of Management has established an investment policy designed to establish controls and monitor these risks. The Consolidated Entity's Audit Committee oversees how management monitors compliance with these policies.

#### a. Credit Risk

##### (i) Exposure to credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Consolidated Entity. The Consolidated Entity has established a credit policy under which new customers are analysed individually for credit worthiness before being offered standard credit terms. The Consolidated Entity's exposure is continuously monitored and limits reviewed. Trade receivables consist of a large number of members and customers spread across diverse trades within South Australia. The Consolidated entity does not have any significant credit risk exposure to any single party. The credit risk on liquid funds is mitigated by ensuring that authorised bank deposits are held with major banking institutions.

The carrying amount of the Consolidated Entity's financial assets represents the maximum credit exposure. The Consolidated Entity's maximum credit risk exposure at the reporting date was:

#### Credit Risk Exposure

### b. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices in particular interest rates. The Consolidated Entity manages the financial risk relating to its investments set out in accordance with its Investment Policy and is reviewed annually.

#### (i) Exposure to interest rate risk

At the reporting date the interest profile of the Consolidated Entity's interest bearing financial instruments was:

		MTA		Consolidated	
		2021	2020	2021	2020
		\$	\$	\$	\$

**c. Liquidity Risk** Liquidity Risk is the risk that the Consolidated Entity does not have sufficient resources to meet its obligations when they become due and payable, or will have to do so at excessive cost. The Consolidated Entity's policy is designed to ensure that there are sufficient funds to meet its obligations when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Consolidated Entity's reputation.

The following are the contractual maturities of financial liabilities, including estimated interest payments and excluding the impact of netting arrangements.

	MTA				Consolidated

### e. Fair value hierarchy

The following tables provide an analysis of financial and non-financial assets and liabilities that are carried at fair value, by fair value hierarchy. The different levels have been defined as follows:

- Level 1: quotes prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

### Fair Values

For Financial assets and Financial liabilities the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form.

### e. Capital risk management

The Consolidated Entity's policy is to maintain a strong capital base for its members confidence and future development of the industry and to ensure the Consolidated Entity will be able to continue as a going concern.

The Consolidated Entity is not subject to any externally imposed capital requirements.

### 21. Operating leases as lessor

At the end of the reporting period, the future minimum lease payments under non-cancellable operating leases are receivable as follows

	2021	2020
Less than one year	715,693	615,216
Between one and five years	1,513,963	930,612
More than five years	-	-
	<u>2,229,656</u>	<u>1,545,828</u>

The Association leases out a number of offices under operating leases. The leases typically run for a period of two to five years, with an option to renew the lease after that date. Lease payments are increased every year to reflect market rentals based on a fixed annual percentage increase or CPI.

## Notes to the consolidated financial statements (continued)

### 22. Subsequent events

The impact of the Coronavirus (COVID-19) pandemic is ongoing and while it has been financially positive for the incorporated association up to 31 March 2021, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 31 March 2021 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

### 23. Information to be provided to members or Commissioner

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of the members is drawn to the provisions of subsections (1) to (3) of section 272 Fair Work, which reads as follows:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

### 24. Association details

The principal place of business of the Association is:

81 Greenhill Road, Wayville, Adelaide, South Australia.

MTA's print and stationery department is located at its 3 Frederick Road, Royal Park, South Australia premises.

The MTA Group Training Scheme Inc. is located at 3 Frederick Road, Royal Park, South Australia.

### 25. Principal activities

The principal activities of the Association during the financial year were:

To protect and promote the interests of members by:-

- Providing a political voice for the retail motor industry;
- Providing an industry voice in discussion with all levels of government;
- Providing industrial award advice, advocacy and representation;
- Providing technical information and specialized industry stationery; and
- Training apprentices for the retail motor industry.

### 26. A Melville Memorial Fund

Funds amounting to \$3,776 are held on behalf of the A Melville Memorial Fund and invested with the Association funds as interest earning deposits.

## Notes to the consolidated financial statements (continued)

### 27. Members of Board of Management

The names of the Members of the Association's Board of Management during the financial year, unless indicated otherwise were:

Frank Agostino	David Vincent	01 April 2020 – 24 April 2020
Neville Gibb	Marcus Baldacchino	01 April 2020 – 24 April 2020
Clive Polley	Michael McMichael	01 April 2020 – 24 April 2020
Peter Roberts	Bill Lane	01 April 2020 – 24 April 2020
John Hitchcock	Brenton Stein	01 April 2020 – 24 April 2020
Mark McGuire	Dale John	01 April 2020 – 24 April 2020
Tom Skothos	Kim Webber	01 April 2020 – 24 April 2020
	Tracy Butler	01 April 2020 – 24 April 2020
	Mark Flynn	01 April 2020 – 24 April 2020

The names of the members of the MTA Group Training Scheme's Board of Directors during the financial year, unless indicated otherwise were:

Frank Agostino	Mark McGuire	
Neville Gibb	John Hitchcock	
Peter Roberts	Tom Skothos	22 Sept 2020 – 31 March 2021
Clive Polley		

No member of the Board of Management of the Association receives any remuneration (except travel cost reimbursement).

### 28. Other disclosures required

The following disclosures are made for the purposes of section 253 of the Fair Work Australia (Registered Organisations) Act 2009.

The reporting unit has not received revenue for;

- Capitation fees
- Donations
- Compulsory levies
- Wages activity

The reporting unit has not paid expenses for;

- Capitation fees
- Compulsory levies
- Grants
- Consideration for employers for payroll deductions of membership subscriptions
- Penalties - via RO Act of RO Regulations
- Grants

The reporting unit has not accrued expenses for;

- Separation and redundancies
- Legal costs relating to legal or litigation matters
- Payables to employers as consideration for the employers making payroll deductions of membership subscriptions.

The reporting unit does not and is not required by the rules of the organisation to have a fund or account for;

- Compulsory levies
- Voluntary contributions

## Notes to the consolidated financial statements (continued)

### **28. Other disclosures required (continued)**

The reporting unit did not have another entity administer the financial affairs of the reporting unit

The reporting unit has not made a payment to a former related party of the reporting unit

The reporting unit did not transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity.

The reporting unit has not received any other revenue from another reporting unit.

The reporting unit does not have a receivable with another reporting unit.

The reporting unit does not have a payable with another reporting unit.

**THE MOTOR TRADE ASSOCIATION  
OF SOUTH AUSTRALIA INC.  
BOARD OF MANAGEMENT STATEMENT  
FOR THE YEAR ENDED 31 MARCH 2021**

On 25<sup>th</sup> of August 2021 the Board of Management of the Motor Trade Association of SA Inc. passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 31 March 2021.

The Board of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards (AASB) adopted by the Australian Accounting Standards Board and Associations Incorporation Act 1985 (as amended);
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 ( the RO Act);
- (c) the financial statements and notes give a true and fair view of, the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the Board of Management were held in accordance with the rules of the organisation including the rules of the branch concerned; and
  - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the branch concerned; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with RO Act; and
  - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a manner consistent with each of the other reporting units of the organisation; and
  - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under Section 272 of the RO Act, that information has been provided to the member or Commissioner; and
  - (vi) where any orders for inspection of financial records have been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution passed by the Board of Management.

Signature of designated officer:

Name and title of designated officer: Frank Agostino, Chairman

Dated: 25 August 2021

**THE MOTOR TRADE ASSOCIATION  
OF SOUTH AUSTRALIA INC.**

**STATEMENT BY THE BOARD OF MANAGEMENT**

As required by Section 35 (2) of the Associations Incorporation Act 1985 (as amended), pursuant to a resolution of the Board of Management, it is stated that:-

- [i] the accounts present fairly the results of the operations of the Association for the financial year and the state of affairs of the Association as at the end of the 2020/2021 financial year;
- [ii] the Board of Management has reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due;
- [iii] that the Association has subsidiaries as detailed in the accounts; and;
- [iv] that the Association is not a trustee of a trust.

Signed pursuant to a resolution of the Board of Management.

## INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF MOTOR TRADE ASSOCIATION OF SOUTH AUSTRALIA INC

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Motor Trade Association of South Australia Inc (the reporting unit), which comprises the consolidated statement of financial position as at 31 March 2021, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, the Statement and Report by the Board of Management and the subsection 255(2A) report.

In our opinion the accompanying financial report of the reporting unit, presents fairly, in all material respects the reporting unit's financial position as at 31 March 2021 and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and any other requirement imposed by these Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The Board of Management is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the reporting unit's operating report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of the Board of Management for the Financial Report**

The Board of Management of the reporting unit are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*, and for such internal control as the Board of Management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board of Management is responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

- As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:  
Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Management.
- Conclude on the appropriateness of the Board of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Reporting Unit audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during our audit.

This description forms part of our auditor's report.

### **Declaration by the auditor**
