

EMERGENCY WARDEN TRAINING (Fire Warden)

Accredited IR Interactive Workshop

The Australian Standards require your business to have a trained Emergency Warden. Are you ready to deal with a fire and/or emergency that requires evacuation? Is your workplace compliant? Do you want practical hands-on training that meets your needs?

Undertake the Fire Warden Training to:

- ▶ Learn and apply practical skills in an interactive environment
- ▶ Prepare for the potential stress of a real emergency in the workplace
- ▶ Enhance the safety of your workplace
- ▶ Meet compliance under Australian Regulations

This workshop will provide a practical learning environment which focuses on:

- ▶ Warden roles and responsibilities
- ▶ Planning and conducting evacuations
- ▶ Fire safety and prevention
- ▶ Fire classes
- ▶ Emergency codes
- ▶ Practical firefighting with extinguishers and fire blankets
- ▶ Initial response to critical incidents
- ▶ Contacting emergency services
- ▶ Practical responses to emergency situations

Under the provisions of AS3745-2010 refresher courses are to be completed every 2 years

On successful completion of this course, the participant will receive a statement of attainment for the following units of competency:

- ▶ PUAWER005B - Operate as part of an emergency control organisation
- ▶ CPPFES2005A - Demonstrate first attack firefighting equipment
